The Škoda Fabia and Fabia Combi cars are driven by people with various professions and hobbies - young couples, families with children, active sports-oriented people as well as those who value comfort above all. Naturally, each of them has different needs and specific requirements for their car. This is where the **Škoda Genuine Accessories** offer a solution. In our range, which is essentially an extended range of the extra equipment, you will find various products including spoilers, alloy wheels, radios, navigation systems, roof racks and so on. You can also choose from a wide range of child safety seats for children of all age groups. All our products have been approved by Škoda Auto so with them you choose maximum safety and reliability.

Some accessories from the **safety** category are intended for the protection of the crew while others have been designed for the care or security of the vehicle itself. Child seats from the Škoda Genuine Accessories will ensure a safe and comfortable journey for the youngest passengers weighing up to 36 kg. Snow chains are an essential piece of equipment for mountain enthusiasts and a alarm or mechanical drive locking system will guard your vehicle while you explore, for example, nature's beauty on a bike.
